

Dermal Filler Prices

Our general philosophy is to use the minimal amount of dermal filler required to obtain the desired result. Often 1mL of filler can be placed in multiple parts of the face. Our goal is to create natural-looking results.

Number of Syringes used in 1 session	Price
1ml	From \$675
2ml	From \$1350

Treatment downtime

Name of treatment	Downtime required	Number of sessions suggested	Price per session	Pain factor	Effectiveness
Anti-wrinkle injections	mild bruising may occur	3 to 4 monthly	variable	+	+
Derma fillers	Bruising and swelling may occur	6 to 12 monthly depending on area treated and filler used	variable	+	+
